Ahiflower Meal	Buglossoides Arvensis (Ahiflower) Seed Powder	Nature's Crops International	10.00
			<b>100.00</b>

### Procedure

1. Heat Phase A to 75-80°C.
2. Cool to 70°C and add Phase B. Mix well until homogeneous. Pour hot into stick component.

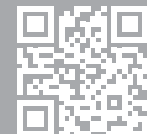

### How To Use

Apply several times back and forth on the lips and for extra exfoliation use fingers to rub in further after application. Wipe away gently with a cotton pad if needed. Use as often as needed.
